

DESCRIPTION

The Kids Ministry Internship offers a unique opportunity for mentorship under an experienced Kids Pastor while jointly investing in the lives of children in the South Okanagan.

As a member of the SBC staff team, you'll engage in staff meetings and gain insight into various church ministries. Collaboratively, you'll strategize, organize, and execute dynamic summer experiences for children and families, with oversight and weekly guidance from the Kids Pastor. Your primary focus will be on crafting and leading programming for children in grades K-5, dedicating significant time to preparation and execution.

Throughout the summer, you'll also take the lead in supervising three high school interns for the Summer Day Camp. This internship is not only a platform for discipleship but also an opportunity to develop leadership, teaching, and teamwork skills while discerning your God-given aspirations and abilities.

QUALIFICATIONS

- Client Service - Client Service refers to the ability to communicate efficiently and professionally with clients. At work, client service skills are required to interact with clients on behalf of the employer.
- Teamwork - Team Work refers to the skills needed to interact with other people. At work, people work with others in pairs and in small and large groups to coordinate tasks, share resources, plan, make decisions, negotiate, solve conflicts and complete other activities that involve teamwork.
- Communication - Communication refers to the skills needed to exchange thoughts and information with other people. This exchange can happen orally by speaking, listening and using non-verbal cues, such as body language or in writing. At work, people use communication skills to talk to customers, discuss products with suppliers, explain work procedures to co-workers, participate in virtual sales meetings with clients, and other activities that involve verbal or written exchanges.
- Digital skills - Digital technology refers to the skills needed to understand and use digital systems, tools and applications, and to process digital information. At work, people use digital technology skills to input, access, analyze, organize, create and communicate information and ideas using computers, software, point-of-sale equipment, email, podcasts, web applications, smart phones and other digital devices.
- Leadership - Leadership refers to a number of skills, including communication, relationship building, and the ability to delegate and traits such as honesty. At work, leadership skills are required when working in a team, demonstrating initiative, and taking responsibility for the completion
- Character - Character encompasses a range of qualities, including integrity, compassion, and resilience. At work character is essential when engaging and investing into children, and working collaboratively.

RESPONSIBILITIES

- Be involved with planning, coordinating, and implementing children and family recreational, caregiving, and educational programs.
- Co-Lead Summer High school Interns in planning, coordinating, and implementing summer children and youth programming.
- Work on an experienced Children and Youth team.
- Receive training in Work Safe, Plan to Protect, and Child Development.
- Maintain healthy work relationships with others while working on a team.
- Nurture character growth individually and in children and youth.
