

Ministry & Leadership Opportunities
We are now accepting applications for the following position:

Resident Pastor program (2-year commitment)

The **S2S Network** is a leadership development and church planting movement in Western Canada based in Calgary, Alberta. Our Network spans British Columbia to Manitoba.

Our Vision is to multiply 25 disciple making micro-churches and 100 leaders from the seashores of British Columbia to the big skies of Manitoba over the next 10 years.

Our Strategy is to discover, develop, and deploy Jesus-centred mission leaders with a passion to grow their leadership skills and participate in church multiplication.

We focus on growing leaders with deeply formed Christlike **character, calling, and competencies** for Christian leadership and ministry. We equip YOU to better know God, yourself, and your unique contribution in the kingdom of Christ.

Resident Pastors relocate to the Calgary area and work alongside the S2S staff and other Resident Pastors for two years. You already have some Christian ministry training, and have been involved in Christian ministry work. You feel the call to church multiplication. You will participate in our study program, engage in leadership and church multiplication work, and grow in spiritual formation. Upon the successful completion of the program, you will pioneer a new micro-church for the Wesleyan Church of Canada, either in the Calgary area, or some other community in Western Canada. Financial support for housing is provided. Resident Pastors are expected to obtain part-time employment.

S2S staff provide on-the-job training, assessment, coaching, and spiritual formation opportunities which may be applied to licensing, ordination, or for academic credit.

To learn more, email the Regional Director, **Dr. Justin Bradbury**: jbpastor5@gmail.com. Or call, 403-589-2314. Visit us at: s2snetwork.ca or on Facebook [@Sea2SkyNetwork](https://www.facebook.com/Sea2SkyNetwork)
